

We wish you and your families and colleagues a Merry Christmas
as well as a healthy and successful start into the New Year.
For further successful collaborations in 2017!

Dear Clusterpartners and Friends,

Thank you very much for being with us over years. 2017 is approaching fast.

We are - with your help - well prepared.

In 2017 there will be several SpectroNet Conferences, Exhibitions and Presentations which could be of interest for you:

SpectroNet Collaboration Conferences in 2017

- **21.03.-23.03.2017** - OCM-SpectroNet Collaboration Conference Karlsruhe 2017 in collaboration with Fraunhofer IOSB Karlsruhe
- **07.06.-08.06.2017** - CHII-SpectroNet Collaboration Conference Graz 2017 in collaboration with Perception Park Graz (www.chii2017.com)
- **30.08.-31.08.2017** - PICC-SpectroNet Collaboration Conference Jena 2017 in collaboration with MAZeT ams and Carl Zeiss Spectroscopy Jena

SpectroNet Collaboration Exhibitions in 2017

- **30.05.-01.06.2017** - AMA BV-SpectroNet Collaboration Exhibition, Nürnberg 2017 in collaboration with AMA Berlin at Sensors and Measurement Fair “Sensor+Test”, Nürnberg 2017
- **31.05.2017** - International Collaboration Meeting of AMA Working Group “Photonics”, Nürnberg 2017 at Sensors and Measurement Fair “Sensor+Test”, Nürnberg 2017
- **30.05.-01.06.2017** - SPS-SpectroNet Collaboration Exhibition, Nürnberg 2017 in collaboration with SPS Regensburg at Sensors and Measurement Fair “Sensor+Test”, Nürnberg 2017
- **24.11.2017** - TIP-SpectroNet Collaboration Exhibition Jena 2017 in collaboration with TIP Jena at “Lange Nacht der Wissenschaften”, Jena 2017

SpectroNet Collaboration Presentations in 2017

- **29.01.-02.02.2017** at Electronic Imaging 2017, San Francisco, United States
- **31.07.-03.08.2017** at IMEKO TC1-TC7-TC13 Symposium 2017, Rio de Janeiro, Brazil
- **20.09.-22.09.2017** at SEIA 2017, Moscow, Russia

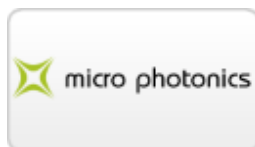

Furthermore you will find new content within the Cluster Platform from

VISION 2016

08.11.-10.11.2016, Stuttgart [>>](#)

73 Presentations, 74 Videos (26h:31m:31s) and 199 Pictures

micro photonics 2016

11.10.-13.10.2016, Berlin [>>](#)

7 Presentations and 46 Pictures

22. Workshop Farbbildverarbeitung

29.09.-30.09.2016, Ilmenau [>>](#)

15 Presentations and 15 Videos (05h:00m:24s)

SpectroNet Collaboration Forum Jena 2016

31.08.-01.09.2016, Jena [>>](#)

53 Presentations, 49 Videos (08h:01m:23s) and 141 Pictures

17th Joint International IMEKO TC1+TC7+TC13 Symposium

03.08.-05.08.2016, Berkeley [>>](#)

5 Presentations, 5 Videos (01h:46m:16s) and 91 Pictures

Konica Minolta „Techno Summit“

07.07.2016, Stuttgart >>

17 Presentations, 4 Videos (01h:41m:49s) and 22 Pictures

With best regards

Yours
