

Cluster Contribution Rules

Clustermanagementprojekt SpectroNet

c/o Technologie- und Innovationspark Jena GmbH

1 Contribution rules

According to point four in the cluster statutes „Contributions and allocations“ cluster contribution rules are as follows:

2 Obligation to contribution

- 2.1 For a membership in the SpectroNet cluster a membership fee is being paid in the project year.
- 2.2 The membership fee has to be paid in July of the current project year.
- 2.3 For members joining the Clustermanagementprojekt SpectroNet a membership fee will be paid from the first day of membership pro rata and this membership fee has to be paid immediately within 30 days.
- 2.4 The amount of the membership fee will be charged to the member and must be transferred thereafter.
- 2.5 According to the Clustermanagementagreement (CMA) the membership fee depends on the member category.

3 Membership fee

- 3.1 For the admission to the SpectroNet cluster as a member a member category has to be determined.
- 3.2 Regardless of the member's admission, an allocation into a other member category is possible.
- 3.3 Members have a duty of information about changes to the address, change of contact persons or change of membership category.
- 3.4 Membership fees:

Member category	Membership fee*
