

IMEKO Joint TC1 - TC2 International Symposium 2019

Dear Clusterpartner and Friends,

herewith you are cordially invited to participate at the **IMEKO Joint TC1 - TC2 International Symposium on Photonics and Education in Measurement Sciences 2019** in collaboration with the Conference on Optical Fibre & Photonic Sensors for Industrial & Safety Applications (OFSIS).

Date: 17.09.-19.09.2019

Place: Hans-Knöll-Straße 6, 07745 Jena, Germany

Conference Website: www.imeko-jena.com

Successful JENCOLOR SpectroNet Collaboration Conference 2019

On this way we want to say **THANK YOU** for the open and trustful collaboration within the SpectroNet cluster. Our last Collaboration Conference in Jena brought new insights on current research and developments as well as products and services on "**Photonic Sensors and Systems for Measurement Engineering for Quality Assurance**"

More than **100 experts** from **11** different **european countries** have participated at the JENCOLOR SpectroNet Collaboration Conference in 2019.

You can find the videos of the 54 presentations @ the [SpectroNet Academy](#)
