

Dear Clusterpartners and Friends,

YOU get with this email the latest content in the SpectroNet Academy as well as information about upcoming events which are tackling our collaborative work.

## Special Announcement

 **chii** 2018

6 - 7 June 2018  
Graz, Austria

chii2018 –  
Conference on  
Hyperspectral Imaging  
in Industry

 perception park

 enterprise  
europe  
network

 ICC  
spectronet

 SFG

Conference on Hyperspectral Imaging in Industry 2018 (CHII2018)  
06.06.-07.06.2018, Graz, Austria

2 Days, 34 Presentations, 17 Exhibitors, Pre-planned Meetings,  
1 Evening Event, 2 Workshops with 9 Lectures and Round Table Discussions

For Further Information see:  
[www.chii2018.com](http://www.chii2018.com)

## Conference on Hyperspectral Imaging in Industry (CHII2018)

**Topic:** Hyperspectral Imaging in Industry, Biology, Medicine and Beyond

**Dates:** 06.06.-07.06.2018, Graz, Austria

**Link:** [www.chii2018.com](http://www.chii2018.com)

## SENSOR+TEST 2018

**Topic:** Sensors and Measurement

**Dates:** 26.06.-28.06.2018, Nuremberg, Germany

**Link:** [www.sensorik-bayern.de/de/gemeinschaftsstand-sensortest-2018](http://www.sensorik-bayern.de/de/gemeinschaftsstand-sensortest-2018)

## JENCOLOR SpectroNet Collaboration Conference 2018

**Topic:** Photonical Sensors and Systems for Mobile Measurement Engineering and Quality Assurance (mPMQ)

**Dates:** 29.08.-30.08.2018, Jena, Germany

**Link:** [www.spectronet-thuringia2018.b2match.io](http://www.spectronet-thuringia2018.b2match.io)
